RE:Transfer tax

Dear Colleague

Following our phone conversation of this morning I just received Dr Neumayr's fax confirming the transfer to my account of GRD 5 MIO (quote)"as agreed with Mr Blatter".

Please confirm by return fax that this amount I am instructed to pay directly to the appropriate persons for "special cost" of the transfer tax file without further receipts, as described in my fax dated September 5, 1994.

Sincerely yours

  
Sp. Zournatzis
